

Girls of Cologne

Hello ladies,

"Girls of Cologne" is a group of women living in Cologne who take part in the Gay Games, and we would like to welcome you in our city! We would love to meet you and offer you the opportunity to get in touch with the way of life in Germany and especially in Cologne. We can also provide you with some first hand information on how to spend your leisure time in Cologne. During the Games there are a lot of booths at the "Neumarkt", a well-known square in the city centre. Our daily meeting point is at our  booth, Sunday, August 1 thru Thursday, August 5 from 7:00 to 7:30 pm. Look for women wearing "Girls of Cologne" T-shirts. When you see one of us don't hesitate to talk to us and we will be happy to guide you through the crowded festival! We are glad to be hosting the Gay Games in Cologne and we are very pleased to welcome the sporty ladies from all over the world! Enjoy it!
